## News from the Longmont Library:

### "Light a Candle" Fundraising Event at the Library, November 30 through Dec. 13

When you're buying gifts this holiday season, don't forget to show a little love towards your library! The annual Light a Candle fundraising event at the Longmont Public Library is an opportunity to give a gift that will be shared by hundreds or even thousands of your neighbors. Just stop by and browse through all the books, DVDs, and CDs in the library lobby, then buy one to donate to the library's collection. All donations are tax-deductible and prices on the items vary significantly to suit everyone's budget. A book plate is placed inside the book or case to honor and identify the donor, and a candle ornament bearing the donor's name is hung on the Light a Candle Tree in the library lobby. So, during this season of giving, consider giving something back to the community you love. Donate a book and support your library!

The Pulitzer judges called her book "an engrossing, original narrative showing the Mandans, a Native American tribe in the Dakotas, as a people with a history."
